

Welcome to Kajoku!

Born in Toowoomba, 2014

Welcome to Kajoku – our name comes from the Korean word “kajok” combined with the Japanese word “kazoku”, both of which mean “family”. Our menu is designed to be shared “family-style”, so we hope you will enjoy with your family and friends!

Thank you for supporting a genuinely independent, locally-owned and -run small business, Toowoomba’s best and longest-running Korean, and only authentic Japanese, venue. Our kitchen cooking staff, as well as most of our waitstaff, are Korean or Japanese, and we can all promise you our utmost efforts to create a great and memorable experience for you! We are proud to be the first venue in Queensland to be certified as a “Japanese Food and Ingredient Supporter Overseas” by the Japanese Government.

If your favourite is missing, please let us know and we’ll do our best to bring it back when we can – but don’t worry, there’re still plenty of our great dishes to choose from!*
